Wilsonart - the UK's largest manufacturer of decorative surfacing products.

Choosing the most suitable material for your project can sometimes be a challenge with many different standards, colours, designs and sizes. Wilsonart can provide the perfect solution, with two defined ranges of innovative decors, Gemstone and Solid Surface, and a service that will assist you from the initial design through to the final installation.

Gemstone Features & Benefits

- Highly decorative surface made from 85% recycled material
- Hygienic surface resistant to water, mould and bacteria
- Renewable & repairable ensuring longevity in performance
- Shapes and curves can be created for an overall moulded look
- Hard wearing ideally suited for many commercial applications
- Sheet sizes: 2500 x 1000 x 6mm
