**CDUK**  
The UK & Ireland  
distributor of Corian®

CDUK is delighted to have been appointed as the official distribution partner of The 1810 Company to develop and distribute its new range of Axix Seamless Technology sinks.

Contemporary, sleek and stylish - this brand new concept combines the beauty of 12mm Corian® Solid Surface with a unique, purpose-designed, stainless steel single bowl undermount sink with no join between the surface and the sink at the base.

- **Fast.** Axix sinks are held as stock items
- **Simple.** Install an Axix sink with Corian® in your own workshop with standard tools
- **Colour matched.** Material from the same sheet or batch can be used for a consistent colour match
- **Seamless.** Corian® and stainless steel working together in harmony

**25%  
OFF\***

To accompany your Axix sink you may require an additional quarter sheet.  
\*If the quarter sheet is in stock at the time of placing your order for the Axix sink, we will give you a 25% discount on that quarter sheet.

## Quality you can rely on

Axix sinks are manufactured to the exacting standards of all sinks from The 1810 Company using 1.2mm, 304 grade stainless steel. All sinks have an insulating protective powder coating on the underside, helping to retain the heat of the water in the bowl whilst also reducing noise if a waste disposer is fitted.

- An upmarket contemporary solution available exclusively from CDUK for use with solid surface
- The benefits of Corian® with the seamless addition of a stainless steel base
- Completely watertight and impermeable sink base
- Stainless steel basket strainer waste cover included
- Compatible with hot/boiling water taps
- Straightforward fabrication using standard tools
- A full maximiser plumbing kit is included with each sink
- Competitively priced and available from stock on 48 hour delivery
- Axix sinks come complete with a 75-year guarantee\*
- Also available:  
*Undermount sinks and taps from The 1810 Company, ask for more information*

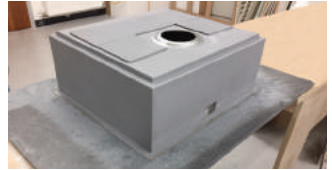

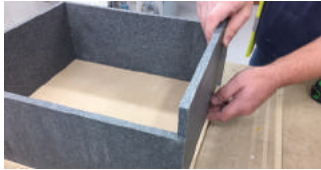

**75** YEAR\*
